Re: United States v. Richard G. Gotti  
Docket No. 04-2746-cr  
United States Court of Appeals  
for the Second Circuit Court  
Our File No.: 22-16

*SO ORDERED*

*USDJ* 2/7/06.

Dear Judge Block:

I write to request the Court's assistance in the filing of a Notice of Appeal in the above captioned matter.

I was under the impression that no Notice of Appeal had to be filed from the order of December 19, 2005 as I believed it would track the notice previously filed. I learned today, much to my dismay, that was not the case.

I am writing to request the Court to allow me to file a notice out of time so that I might draft on the arguments already advanced in the United States Court of Appeals for the Second Circuit. The practical effect of such relief will be to save scarce C.J.A. Funds as our brief will be pro-forma and not raise additional issues.

I have contacted Ms. Jestin and she has no objection to the requested relief.

Very truly yours,
